Executive Communication for Recommendation of Award

RFP 2006-001-VC for Educational Access TV Channel Service Provider

---

## OFFICE OF THE MAYOR

**MARTIN J. CHAVEZ**

The City of Albuquerque Legal Department, in conjunction with the Department of Finance and Administrative Services, Purchasing Division, issued the subject Request for Proposals for RFP 2006-001-VC for Educational Access TV Channel Service Provider. The successful contractor will provide Educational Access TV Channel services.

The City posted the solicitation on the purchasing web site and advertised in the Albuquerque Journal and the Albuquerque Tribune. Two proposals were received. These were KNME-TV and Quote...Unquote, Inc.

The ad hoc evaluation committee unanimously recommended that the contract be awarded to KNME-TV. The scores for the proposals are listed below in rank order. Both qualified for local preference.

<u>Firm</u>	<u>Score</u>	<u>Bid Amount</u>
KNME-TV	4688.25	\$366,464
Quote...Unquote	4187	\$370,318

The total amount of the contract will be subject to negotiation, but will not exceed \$366,464. The contract term is for two (2) years and may be extended for four (4) additional two-year terms.

I concur with the recommendation.

Based on the foregoing, City Council approval is requested. Staff will be available to respond to questions at the appropriate hearings.
